QUARTERMASTER RUNS 5 1-2 FURLONGS IN 1:05 1-5 AT MEXICAN COURSE.

Jacquelina Has an Easy Time Winning the Carmen Selling Stakes From Taboo and Butter Ball -A Day of Well Backed Winners.

El Paso, Tex., March 28.—Ladies' day and a fairly good program of which the Carmen Selling Stakes was the feature, drew a goodly number of recepers to the Juarez track this afternoon. Owing to the extensive rumber of departures for the Kentucky tracks, the field in the stake was ridiculously small, but three facing the barrier. The race was conceded to W. T. Anderson's mare Jacquelina and she ruled a prohibitive favorite in the betting, few earing to take a chance on anything to defeat her. It was virtually no contest for the favorite after the first quarter had been run, as she went to the front at that point and thereafter only had to canter.

Form was fairly well observed, with the success of three of the choices. Toller, The Pippin and L. M. Eckert were heavily backed as well as the winning favorites.

George Odom put one over in The Pippin, backing her heavily here as well as in the east. Owing to the sudden illness of Col. W. E. Applegate with ptomaine poisoning, his book was withdrawn from the ring today.

Earl Linnell will take the stable of E. Gaylord to Pimlico after the close of the meeting here, the star of the string, the good colt, Amon, being enered liberally in eastern stakes.

Quartermaster equaled the track record of 1:055 for five and one-half furlongs this afternoon in the third race. He came from the rear in game fashion and won with the greatest of ease. Had he been fully extended it is probable that the track record would have been lowered, as his win was most impressively achieved.

petition to introduce a repeal bill, and, after looking into the matter, he agreed to draw up the desired measure, it is reported.

Persons identified with the racing interests say they know nothing about it, but admit that there is nuch ill feeling up the state and that Saratoga is particularly active. The cause of the present agitation was shown by a prominent race track man, who

particularly active. The cause of the present aguation was shown by a prominent race track man, who said.

"The Rev. Dr. Miller, aided by Harry Brolaski, a reformed gambler, is at the head of an organization in this state which has succeeded the International Reform Bureau in the crusade against race track gambling. Since the announcement that the Jockey Chub's tracks will remain closed until some relief can be obtained from the courts or the Legislature regarding the enforcement of the so-called directors' liability law, Dr. Miller has decided to turn his attention to the state fair associations which conduct trotting and running races with betting inside their enclosures. It is learned that Dr. Miller's bureau will call upon the various district attorneys up the state to enforce the anti-betting laws which were passed last year and will make a hard fight to have the directors of fairs indicted if betting takes place. If Dr. Miller carries out this plan it is believed that the fair associations will be compelled to cut out the races rather than run the risk of criminal prosecution."

tion."

In the course of a summary of the enormous loss entailed as a result of recent hostile racing legislation in the United States, the Morning Telegraph of New York points out that in addition to the irreparable and deplorable damage done to the thoroughed breeding establishments of the country generally, the city of New York has sustained a financial loss that is an important feature of the situation. It says:

ally, the city of New York has sustained a financial loss that is an important feature of the situation. It says:

"Conservative merchants, hotel and restaurant proprietors and managers of places of public amusement calculate that the crusade against racing, begun in 1908 by Governor Hughes, cost the city of New York from forty to fifty million dollars in 1909 and 1910. Racing, as it was conducted under the Percy-Gray law, not only kept wealthy Americans with a liking for wholesome sport at home with their money, but it attracted thousands of summer visitors from the states of the west and south.

"The speculation incident to racing, far from being regarded as a demonstration of moral depravity or a public menace in the progressive and admirably governed states of modern Europe, is recognized as a manifestation of legitimate human desire, and, regulated by rational laws, powerfully stimulates circulation. Somebody is always winning, and the winner is always spending. He can't help it.

"If by destroying racing in New York state and thereby crippling the breeding industry, which is of such vast economic importance, the individuals and 1910 had improved the moral tone of the community by stopping betting in this and others cities of the Empire state, they might claim some justification for their activities.

### HORSES THAT MAY CONTEST THE JUAREZ DERBY

It is not easy to see definitely what horses will compete in the Juarez Derby, which is to be decided next Sunday. This is because it is not possible to estimate the deterrent effect the presence of Round the World in its list of eligibles will have. If she was not in the race it would almost certainly be contested by not less than a dozen three-year-olds, all of which by the test of recent racing are in good form. But she is there and in the light of her racing at Juarez looms up so formidably that it is quite probable her opposition will be limited to a few contenders for second and third money. Of the most prominent eligibles Round the a World, Mockler. Sebago and Captain Carmody have each carned a penalty of four pounds, but this is more than neutralized for all by the first named by an allowance of five pounds as "non-winners of a stakes of \$1,500 in 1910." Seth won a stake race last year of more than that value, so he will carry bis full weight if he starts. The conditions of the race, the eligibles most likely to start and their weights are as follows:

For three-year-olds in 1911 (foals of 1908). By subscription of \$10 each, \$50 additional to start. Guarzteed value \$2,500, of which \$400 to second and \$200 to third. Winners of a stakes of \$800 value in 1911, or four stakes of \$1,000 value in 1910 to carry 4 lbs.; of a stakes of \$1,400 value in 1911, 7 lbs, extra. Non-winners of a stakes of \$1,500 value in 1910 allowed 5 lbs.; two stakes of any value at any time, 8 lbs.; horses owned twelve months in Mexico prior to the race by bona-fide residents of the Republic, 12 lbs.; naidens, 16 lbs. Allowances not cumulative. One Mile and a Furlong.

RAINS BENEFIT PENSACOLA TRACK.

Expectation Entertained That Coming Races Will Be Run in Faster Time Than Heretofore.

Be Run in Faster Time Than Heretofore,

Pensacola, Fla., March 28.—With the arrival early this morning of the second special race train from Tampa, the Kupfrian Park course took on more of the aspect of a race meeting. The special, consisting of seven Arms cars, two baggage cars, a day coach and a Pullman sleeper, reached the city at three a. m., some thirteen hours late. Preparations were at once begun for unloading and soon the thoroughbreds were wending their way to the stables at Kupfrian Park. About ninety horses were in this shipment and 100 persons connected with the racing. The town is fast filling up with the followers of the sport and indications point to a successful meeting, with the possibility of an extension beyond the fifteen days scheduled. All the stock shipped in good condition, with one exception. M. Jordan's maire. Lois Cavanagh, was alling when put on the car and was stricken with a car fit after the special left Tampa. It necessitated the unloading of the animal, which was left behind with an attendant. Including the winety which came in today, there are now about 160 horses on the ground ready to race. Last Friday the first horse special left Tampa for Pensacola with six cars carrying nearly seventy head. Three more carloads will come from the cigar city this week, which will swell the total of horses here to approximately 200, which is considered enough for the short meeting. It is expected that about 150 or so will be shipped here from Moncrief early next week, following the close of the meeting at Jacksonville.

Among those to arrive today were W. C. Capps, W. F. King, P. O'Connor, J. A. Strode, E. J. Gildersleeve and General Manager Strode of the Pensacola-Tampa circuit. The latter is optimistic regarding the prospects for a successful meeting and is working hard getting the course into condition. Recent heavy rains have materially helped the condition of the course. The sand is more compact and does not give so readily as during last fall's meeting. Although decidedly slow last wint

# GREAT WINNERS OF EACH AGE SINCE 1902.

The racing of 1910 was in keeping with the general rule in respect to the amount of money won by horses of various ages in America. A two-year-old

was the chief money-winner of the year. The year before a three-year-old had been the leader, following two years of juvenile supremacy. In other years since Daily Racing Form began the compilation of such statistics in 1902, the leadership had fallen to three-year-olds. The failure of horses of more mature age to head the list in these successive years is of course due to the paucity of their opportunities, so far as the great prizes of the turf in this country is concerned. The leaders of various ages during the past nine years are shown in the following tabulation: 1902.

Success of P. M. Walker Continues.

Jacksonville, Fla., March 28.—The colors of F. J. Pons were conspicuously successful at Moncrief Park this afternoon. Two of the winners, Font and Edna Collins, came from the Florida turfman's stable. Both were favorites and incidentally they were the only decided choices that won. The track had dried out considerably, but the going was still lumpy and heavy in spots, Despite the strong counter attraction of the automobile races at Pablo Beach, a large crowd turned out to witness the sport.

In the closing race, Floral Queen, one of the field of thirteen that went to the post, got the better of jockey Dunn and, running away, bolted out of the gates into the stable yards and disappeared on a long stretch of road adjoining the track. The judges ordered all money wagered on Floral Queen refunded, but the other betting stood.

The closest finish of the afternoon came with the running of the first race, a two-year-old dash of four and a half furlongs, in which the first three fought it out, with Maxentius first at the finish by a nose. The latter was running in the colors of P. M. Walker for the first time. Maxentius had also won for J. W. Pangle at the first time of asking in that owner's colors.

The biggest upset of the afternoon was furnished by G. M. Miller, an odds-on choice in the third race.

The biggest upset of the afternoon was furnished by G. M. Miller, an odds-on choice in the third race. The Simons borse flattered his backers by going into a lead of four lengths while rounding the far turn, but when Kingship challenged in the homestretch he quit. The conditions of this race called for four-year-olds and upward that had not been placed at the meeting. Jockey Byrne piloted three winners, Maxentius, Kingship and Font.

Between the races J. W. Schorr's Derby candidate, Star Charter, was sent a mile and a furlong in 2:004. The fractional time was 27, 522, 1:10, 1:464, 2:004.

A number of race-goers who took part in the racing at Tampa were among the visitors at Moncrief this afternoon. Included among them were C. O. Smith, Clint Colby, W. Wolff. Ed Leavy, S. Abrams and Dan McCarthy. They left before the last race to catch a train for Pensacola.

tomorrow's stake race because they are both trained by James Hewitt.

The Jacksonville Metropolis comments on conditions at Monerief Park as follows:

"It is really remarkable how interest in the meeting here keeps up. It is an object lesson to the race track people themselves, as it shows that the public will patronize and support a cleanly and well-conducted meeting for any reasonable length of time. At this stage of a winter meeting usually things get a little frayed around the edges, but there is no evidence of it here, and one has only to look over the crowds to realize that the clite and fashion of the east and the north who have chosen Florida for their winter playground, are at Moncrief daily, mixing with the best of local people. Among the crowds that are daily here in attendance are many of the legislators who will have the future of racing in this state in their hands next month. All of them without exception have marvelled at the class of people attending and the perfect order that is maintained. Many who have come only to get their impressions at first hand have become interested in the sport and have remained to chjoy themselves. The system of giving duplicate copies of the decisions of the judges to the press has been generally commended by the rank and file of the race goers.

system of giving duplicate copies of the decisions of the judges to the press has been generally commended by the rank and file of the race goers. The public is as much interested in the work of the oficials as in the racing itself, and as they pay the bills they are entitled to have their wants satisfied. There is nothing in gun shoe tacties on a race track; and when a bad race comes up the thing to do is to put the offenders away for all time without any grandstand plays. The public eye is keen enough to see through any coat of whitewash, and when the brush is applied they lose confidence. There is not half the fraud on a race track that some peopla affect to think, and not any more than there is in any other legitimate business, the only difference being that in many cases what would be regarded as 'business acumen' in ordinary affairs lands the offender on the outside of the race track's gates. In no place in the world is so rigid a discipline maintained as on a race track, and in no place in the world are the men in authority shown the same respect by those who are in their hands. The association has made good every promise this year and in fact has gone beyond some. They promised to give away \$362.000, and by the time the extra handicap will have been run next week that amount will have reached almost \$5.000 more."

Ross of the Kentucky Association, that a special train, comprised of ten carloads of thoroughbreds, will leave Moncrief Park, Jacksonville, Fla., Tuesday, April 4, billed to this city. The horses will be from the principal stables now racing in Florida and will come here to take part in the annual spring meeting of the Kentucky Association, which opens April 29.

That the fame of the Kentucky Association, which opens April 29.

That the fame of the Kentucky Association is spreading and that this spring's meeting will far eclipse any ever held in the past is shown by the number of applications for accommodations which have been filed with Superintendent J. # PROGRAM FOR MEADOW BROOK MEETING.

New York, March 28.—The Meadow Brook Steeple chase Association will run its spring races on Saturday, May 6, at the Belmont Terminal, instead of at the picturesque Meadow Brook course. The reason for the change is that the polo committee is building large stands at the Meadow Brook course for the accommodation of patrons of the international matches, which eneroach upon the cross-country course.

The program George W. Gall announces for the Meadow Brook races includes the Combination Cup. for hunters, hacks and galloways, seven furlongs on the flat; the Stewards' Open Steeplechase, about two miles; the Meadow Brook Hunt (bona fide hunters), about three miles, and the Richard Peters Challenge Cup. for three-year-olds and over, one mile and a half on the flat.

# NOTES OF THE TURF.

The Prix Roxelane, run at Maisons-Laffitte, in France, yesterday, was won by W. K. Vanderbilt's Presight. In the Prix de Pone Nash Turner's Alby finished second.

innshed second.

The veteran Bonnie Prince Charlie will race no more, his owners, Powell & Parker, having presented him to a friend at El Paso, Tex., who will use him as a saddle horse and who has promised his owners to give the old horse a good home.

he United Stafes still holds the record as the country on the globe in which speculation on courses is prohibited. It may be an indication heir superior public tone, but I don't think any-treally believes that,—Francis Nelson in Toronto

### SALE OF NEW ORLEANS TRACK CONSIDERED.

New Orleans, La., March 28.—The directors of the New Orleans Jockey Club met today and discussed a proposition to dispose of the splendid racing plant of the organization for division into city building lots. Some members of the board are opposed to the plan, believing there are good prospects for reestablishing racing in Louisiana with a change in state administrations. The whole proposition was finally referred to a meeting of the stockholders, to be held tonight. Congressman Joseph L. Rhinoch and J. B. Respess are here for the meeting.
